STAR PROMISE
Our Commitment to Travel Advisors

WITH SAILING AND ALL-SUITE YACHTS BUILT TO ACCOMMODATE 148 TO 342 GUESTS, Windstar is perfectly positioned as the leader in small ship cruising. We instill trust and successfully operate throughout pandemic precautions thanks to our Beyond Ordinary Care Program, a proven multi-layered strategy with full vaccination requirements for all crew and passengers. We work closely with ports to follow changing guidelines, and our small group excursions ensure safety without compromising immersive and authentic cultural experiences.

Our \$250 million-dollar investment paid off. After nearly three years of waiting, the newly transformed all-suite Star Plus Class yachts are here! We added 150 suites across three completely enhanced vessels while retaining our casual, uncrowded ambiance. In addition to our new *World Spa by Windstar* and two restaurants—Anthony Sasso’s Spanish-themed, *Cuadro 44 by Anthony Sasso*, and grilling authority *Star Grill by Steven Raichlen*—these luxurious yachts feature environmentally friendly engines, generators and advanced wastewater treatment systems.

Based on feedback from you and your clients, we introduced new All-Inclusive Fares featuring unlimited Wi-Fi, unlimited beer, wine and cocktails, and all gratuities for only \$79 per guest per day for 2022 departures, and \$89 per guest per day for 2023 departures. It’s transparent pricing similar to all-inclusive resort experiences, but guests still have the freedom to pay for a la carte through Cruise Only fares. It’s a great way for clients to customize their Windstar experience.

Because of you—our most important partner and largest source of business—and our Star Promise, TravelAge West awarded us 2021’s WAVE Award for Small-Ship Cruise Line Providing the Best Travel Advisor Support. Your success means our success. Count on us for exceptional advisor service through our sales team and vacation planners, and quick responses and resolutions.

We look forward to surpassing your clients’ needs and expectations with unique, authentic and unforgettable cruises for years to come. Thank you for being our partner in travel.

Smooth Sailing,

We make sure the hot springs are hot and the pinot grigio is chilled

Our Product Development Team members travel to each destination and personally go on shore excursions to make sure they make the grade. (So yes, that Open Course Canopy Challenge in Falmouth Harbour, Antigua? They went on that.) And because we travel in small groups, we can adjust tours in real time based on guest feedback, whether that means finding a different place for lunch or spending more time at a particularly fascinating historical site. We take the time and make the trip because we want your clients' travels to be unforgettable.

SALES TIP:

"Guests on our small ships enjoy intimate, small-group tours that lead to more authentic experiences and insights. With limited space available, you can help your clients avoid disappointment by booking their tours in advance."

- ✦ Engage and connect with locals from chefs and vintners to farmers and former diplomats
- ✦ Three tiers of shore excursions – depending on what your clients are looking for

ESSENTIALS COLLECTION: first-time visitors who want to see the must-see sights or get a panoramic overview of the area

CONCIERGE COLLECTION: hands-on, in-depth experiences revolving around cultural and culinary themes. They're limited to small groups, typically from 6 to 16

BEYOND ORDINARY COLLECTION: unique, exclusive, once-in-a-lifetime opportunities for discerning travelers

- ✦ Cruise Tours combine a relaxing Windstar cruise with bucket list sights inland, giving your clients the best of both worlds

4 REASONS TO CHOOSE WINDSTAR SHORE EXCURSIONS

- 1. Immersion in regional culture.** Local guides reveal insider highlights, and smaller groups — like our Signature Expeditions in Alaska — let clients skip the crowds.
- 2. Personal tours available.** Independent spirits can choose a private English-speaking guide and vehicle, and design their own tour.
- 3. Safety and convenience.** Every Windstar excursion coordinates with the yacht's schedule and is vetted for health protocols, fully insured, licensed, and bonded. They will never miss the yacht's departure.
- 4. Quality.** Our guests consistently rate their shore excursion experiences as excellent.

IMPECCABLE TASTE

An Appetite For Inspiration

Culinary ingenuity and fresh, local ingredients — often selected by the Windstar yacht’s Chef on a trip to the local market — go into each perfectly presented dish. The result is transformative. Yellowtail snapper with mango-butter sauce in the Caribbean. Tagliatelle with truffles in Italy. Grilled salmon with lemon asparagus in Alaska.

It’s a chance to reconnect with old friends and enjoy some of those Windstar traditions that no one else does quite like us.

GETTING TO KNOW YOUR CLIENTS
Your clients should stop by the Open Bridge to learn more about ship navigation. Join us in a conga line with the Captain. Have coffee with one of our Signature Expedition experts. The Perfect Yacht for Your Cruising Style

We offer two different yacht styles, and design journeys that highlight their unique attributes, whether island hopping in Tahiti or cruising the Norwegian fjords. NEW ALL-SUITE STAR PLUS CLASS YACHTS

We call them the all-suite Star Plus Class, because it takes everything guests love about private yacht-style cruising to the next level. The entire yacht has been transformed end-to-end by a \$250 million investment, with almost everything upgraded, including the engines, so you could say they're like new. You get even more suites to choose from, more delight on deck, and more to explore on board.

Star Breeze, *Star Legend* and *Star Pride* feature extremely spacious ocean view suites of 277 square feet or more as the standard stateroom and serve only 312 guests each. Dine at two new restaurants developed by a 10-time Michelin starred chef and the global grill authority. Lounge in the elevated infinity pool that serves as the centerpiece of our deck and relax in the *World Spa by Windstar* with locally inspired treatments.

THE CLASSIC WIND CLASS YACHTS

These are the classic sailing yachts Windstar is known for, iconic white sails billowing in the wind bringing guests back to the true romance of sailing.

An abundance of wide-open decks and elegant outdoor spaces make our three Wind Class yachts a perfect way to experience warm seas and delicious tropical breezes.

Recently enhanced in November 2019, *Wind Surf* is the world's largest sailing vessel, carrying up to 342 guests. Yet it is small enough to dock in the world's smallest ports.

Wind Star and *Wind Spirit* each carry just 148 guests and were designed to pull into secret lagoons and dock near the most secluded beaches.

Star Plus Class has arrived

Next Level All-Suite Experience

As Director of Design of The Johnson Studio at Cooper Carry, Ray Chung led the restaurant, hospitality interiors, and club design studio. After graduating with a B.A. cum laude from Yale University and a Master of Architecture from The Graduate School of Design at Harvard University, Ray has focused his career on building memorable, immersive destinations. He views storytelling as an organizing principle in design, bringing out the character of each project.

“They just don’t build ships like this anymore. We kept the best elements and designs from these iconic vessels and re-envisioned them for the modern guest.”
~Ray Chung

We’ve completed the \$250

million dollar transformation of our three all-suite Star Plus Class yachts — *Star Breeze*, *Star Legend* and *Star Pride*! Now your clients get even more suites to choose from, more delight on deck, and more to explore on board.

Your clients will love our beautiful new teak sundeck and iconic, cascading pool, 50 new impeccably designed suites, gorgeous new bathrooms in all suites, and

exciting menus at our new dining venues. There are also improvements behind the scenes that help our crew serve your clients even better and make our Star Plus Class yachts more environmentally friendly than ever.

Our Star Plus Class, serving only 312 guests, calls at some of the world’s smallest and most interesting ports. And now Windstar offers your clients new itinerary choices in some of the world’s

most popular destinations, such as Alaska, Iceland & Northern Europe, and our exclusive *Star Collector: Grand European Bucket List Adventure* and *Star Collector: The Grand Far East Adventure*.

FEED YOUR CURIOSITY

Cuadro 44 by Anthony Sasso

CUADRO 44 BY ANTHONY SASSO

Your clients won't have to travel any further than Deck 6 to find a little bit (or bite) of Spain with our new specialty restaurant, *Cuadro 44* by Anthony Sasso.

Savor flavors of Spanish local culture as guests dine family style in intimate surroundings that encourage sharing and camaraderie. They can sit at a cozy chef's counter or communal table and pass around regional dishes like *jamon iberico de bellota* (24-month aged pork leg raised solely on acorns), or a favorite dessert of Madrid, *churros y chocolate*, cinnamon and sugar fritters served with spicy hot chocolate and fresh seasonal fruit.

Chef Anthony Sasso

A 13-year veteran of Casa Mono in New York City, where he earned the restaurant a Michelin star 10 times, and an alumni of Windstar's culinary-themed cruise program, Sasso knows his way around the kitchen and the galley. His newest creation is an inventive take on modern Spanish cuisine just for Windstar.

Star Grill by Steven Raichlen

STAR GRILL BY STEVEN RAICHLEN

Grilled. Smoked. Slow-roasted on the rotisserie. You can tell a lot about a culture by the way it grills. Your clients will find all your traditional grilled and barbecued favorites (and discover new dishes from around the globe) at *Star Grill* by Steven Raichlen — our new casual outdoor

restaurant brought to you in partnership with the man who reinvented barbecue. Just steps away from the popular Star Bar, the *Star Grill* by Steven Raichlen offers alfresco dining with two carving stations. Here they can experience traditional and world barbecue with a modern twist, from coffee crusted brisket to rum glazed shrimp grilled on sugarcane, from Carolina pulled pork with mustard sauce to Thai grilled chicken sate.

CULTURES ON DECK

Local lectures and performances brought on board just for your clients. We continue your clients' cultural immersion beyond time in port, bringing local performers and destination-savvy lecturers on board to help your clients form deeper connections with the places they visit. It's all part of our promise to deliver destinations in ways no one else can.

EXPLORE LOCAL CULTURES ON BOARD

LEARN ABOUT THEIR CUISINE

Pesto sauce originated in Genoa in the 16th century and has become a staple of Italian cuisine. The preparation is key to its flavor as the basil must be ground and not crushed. Guests try their hands at making this traditional sauce the authentic way as we bring aboard an expert Ligurian chef.

LEARN HOW THEY TELL STORIES

The Naa Kahidi Dancers of Sitka, Alaska, are comprised of indigenous members from various Tlingit dance groups. Watch them perform storytelling songs and dances that have been passed down through generations, then enjoy a photo opportunity with the costumed dancers.

LEARN THEIR ANCIENT ARTS

Guests learn how to make their own lei, given as a symbol of hospitality and welcome when they arrive in Tahiti. Listen to a tattoo master explain the traditional process of determining the design for a tattoo and what it meant to mark his body.

ONBOARD LECTURES PULL BACK THE CURTAIN*

From the artwork of Paul Gauguin to the Russian Revolution, our onboard lectures offer enriching and enlightening insights into the destinations visited. Here are just a few of the upcoming lectures we have planned.

Pacific Escapes: How Tahiti and the South Pacific Changed the Lives of Paul Gauguin, James Michener, and Others
Discover what drew literary and artistic figures to the South Pacific, how they spent their time there, and how their Pacific adventures affected their lives.

Revolutionary St. Petersburg: The End of Russian Imperial Glory
Follow the events that eroded imperial power and brought about the transition to Communism, from Bloody Sunday in 1905 to World War I and the October Revolution of 1917.

The Anatomy of a Sailing Ship
Learn the difference between a main and a mizzen, a seaman and a bosun, and how they all come together to propel a ship across the sea.

*Available on select sailings.

Customize further with land packages featuring not-to-miss sights, convenient air packages, transfers, and more.

◆ NEW ◆

TWO TYPES OF FARES

To help you increase your commissions, we've listened to your feedback and created new All-Inclusive fares and Cruise Only fares so your clients can choose the best fare that fits their travel style.

All-Inclusive Fares

Beverage and Wi-Fi portions are commissionable at 10 percent. All-Inclusive Fares are created by adding an All-In Package for just an additional \$79 per guest, per day for 2022 departures, and \$89 per guest per day for 2023 departures. These fares include unlimited Wi-Fi, unlimited beer, wine, cocktails, and all gratuities. It's a convenient pricing for you to offer your clients depending on their cruising preferences.

All-Inclusive Fares may be booked up to 7 days prior to departure. The All-In Package is also available for purchase on board for \$89 per guest, per day for 2022 departures, and \$99 per guest per day for 2023 departures. Guests on some European cruises may not have an opportunity on board to purchase due to European Value Added Taxes (VAT).

Cruise Only Fares

For those who would prefer to purchase their beverages and amenities a la carte, we offer Cruise Only fares so they can pay only for what they need. As always, all non-alcoholic beverages, including specialty coffees and zero-proof cocktails, are always included on Windstar Cruises.

Upsell Tip: "The All-Inclusive Fare is the most convenient way to package everything you'll need for cruise. The amenities are paid for upfront, so you'll know exactly how much you're spending ahead of time."

INTERNET USAGE PLANS – COMMISSIONABLE AT 10%

Windstar offers various data usage plans for internet access on the cruise. Boost your income and free your clients from tedious data tracking by pre-selling them an Internet Plan in advance and add to your own earnings.

The Email Plan, 200MB

Recommended for people who will be checking email and doing very limited browsing.

The Surfing Plan, 500MB

Allows for additional browsing and small file transfers such as posting pictures to a social media site.

The Unlimited Plan

This plan gives your clients unlimited internet access. They have no worries about how much time they spend on the internet. This plan is priced per day, and must be purchased for the entire cruise. Travel Advisors sailing with Windstar Cruises may purchase this plan on board and receive a 50% discount.

Upsell Tip: "Share day-to-day adventures with friends and family in real time and research upcoming ports so you don't miss anything that's of particular interest to you."

PRE- AND POST-CRUISE HOTEL OR LAND PACKAGES – COMMISSIONABLE AT 5%

Extend your client's cruise vacation with a stay in a luxury hotel conveniently located near the best restaurants and local attractions. Or expand your client's vacation experience with a multi-day Land Package that includes engaging tours to regional highlights with expert guides, accommodations with daily breakfast, complete luggage handling, and transfers in private, climate-controlled transportation.

Upsell Tip: "Make the most of your travel to this part of the world by exploring the fascinating ports at the beginning and end of your voyage. You don't have to worry about any of the logistics so you can just relax and enjoy your time ashore."

PEACE OF MIND TRAVEL PROTECTION AT 10% COMMISSION

The ability to discover the unexpected is one of the reasons guests love Windstar Cruises, but sometimes unexpected events aren't quite so welcome. Our Full Sail Travel Protection Program helps ensure that your clients are protected from loss when their travel plans go awry. The program contains a Cancellation Waiver for specified reasons and a Cancel For Any Reason (non-insurance features provided by Windstar). The program

provides benefits such as trip and bag delay expenses, baggage loss, medical, emergency and emergency medical transportation. (Please refer to our Windstar Cruises website for complete plan descriptions and other important information. WindstarCruises.com/Voyage-Plan/Travel-Protection. Our Travel Protection plan is a great way to help ensure that all your clients' trip memories are positive ones.

Windstar Full Sail Travel Protection is an optional plan available for purchase at the time of your clients' cruise deposit and may be purchased up until 90 days prior to the start of a your clients' vacation with Windstar. As certain terms, conditions, and exclusions may apply, we recommend the purchase at deposit so that you can help protect them against conditions that may arise afterward. The Full Sail Travel Protection Program is not in effect until the plan cost has been received by Windstar Cruises, in addition to any cruise deposits/payments due.

Travel Insurance benefits are administered by Aon Affinity and underwritten by Arch Insurance Company, with administrative offices in Jersey City, NJ (NAIC #11150) under Policy Form series LTP 2013 and applicable amendatory endorsements.

Upsell Tip: "Travel Advisors are able to add the Full Sale Travel Protection Plan to bookings made via the online Agent Booking Engine (ABE). It's easy and fast."

PERSONAL LAUNDRY SERVICE

Windstar's laundering service makes it easy to travel light and enjoy the feeling of freshly washed and pressed clothing every day from our professional laundry. Enjoy quick turnaround service of 24 hours on all items and same-day service on items turned in by 9:00 a.m. Package includes laundry service for both stateroom/suite occupants. Single occupant stateroom/suite package price is reduced by one half.

PREPAID GRATUITIES

Prepaid gratuities give your clients a convenient way to reward the crew members who made their cruise so enjoyable. They can prepay gratuities at a rate of \$14.50 per guest per day for 2022 departures and \$16 per guest per day for 2023 departures (subject to change), an amount that can be adjusted up or down at the end of the cruise. Gratuities are neither required nor expected on Windstar. And remember, all gratuities are part of our All-Inclusive Fares, including those customarily charged with applicable beverage orders.

Upsell Tip: “You’ll have one less detail to deal with at the end of your cruise, and won’t have to worry over whether you’re tipping the right amount.”

Windstar’s Easy Stays program makes booking a hotel stay before or after your clients’ cruise easier and more convenient. They can book for any number of nights, or just for the day. FOR TRAVELERS, NOT TOURISTS

Not Your Average Cruise, Not Your Average Cruiser

Here's how to identify a potential Windstar guest and a few ways to find Windstar guests among your clients.

Tailor the cruise to the cruiser

We know that your cruise clients differ as much in how they like to cruise as in where and when they like to cruise. That's why our itineraries are designed to accommodate a wide variety of cruising styles. By identifying the style that best fits your clients, you can help them create an unforgettable vacation while maximizing your commissions.

WINDSTAR PERSONA

Lifestyle

- Windstar cruisers are confident, sophisticated and experienced travelers. They are more focused on spending time with their families and seeking unique experiences to pique their curiosity and learn about the world and other cultures. They have reached high points in their careers, and while they are driven and lead busy lives in their careers, they have reached a level where it isn't the main focus. Their health and appearance are important to them, so they place a high priority on their physical activity and self-care as well as their style. Windstar cruisers care about the environment and social causes, and they prefer natural, organic, and where available, premium products. It is very important to them to give back to their communities and help others who may be less fortunate than they are.

Key Motivators

- Fine dining & culinary experiences
- Historic, unique attractions
- Outdoor & water excursions
- Luxury amenities & accommodations
- High-quality customer service
- Loyalty programs & rewards

Demographic

- Empty Nesters - Age: 55-74; Avg. HHI: \$186K+
- Parents with Kids at Home - Age: 45-74; Avg. HHI: \$197K+
- Spend over \$10K in travel yearly
- Live on the East and West coasts

OVERNIGHTS & EXTENDED STAYS

Full day calls, late departures, and overnight stays are a great way to attract new cruisers who may not have considered cruising before due to the perception of limited time in port. Whether they're watching the sunrise in Sydney, taking in the nightlife in St. Barthélemy or enjoying dinner ashore near the Celsus Library in Ephesus, they'll discover that there's a lot more to cruising than sea days. In fact, Windstar itineraries often have very few days at sea, focusing on taking your clients to exotic, hard to reach, and interesting places and providing them with an elegant mobile hotel during their journey.

All-Inclusive or Cruise Only Fares

Your clients' cruising style. Your clients' choice. Make it all-inclusive or purchase à la carte. We have options to make it easier to sell cruises for different types of clients and the All-Inclusive Fare (just add the All-In Package) includes unlimited beer, wine, cocktails, unlimited WI-FI, and all gratuities.

Star Collector Voyages

These 13-day or longer voyages offer leisurely exploration for those with more time to sail. Combining our most popular back-to-back itineraries, they offer an exceptional value and allow your clients to remain in the same stateroom for both segments while enjoying more ports with few repeated ports of call. An added bonus: Windstar offers free laundry service and discounts for booking Star Collector cruises, which brings more value to your clients and more commissions to you.

Cruise Tours

Bucket list seekers love Windstar Cruise Tours, which offer the best of both land and sea in one convenient package. Virtually everything's included: transfers and tickets to attractions, hotels, meals, and the cruise itself. It's a no-hassle way for your clients to take advantage of their proximity to bucket list destinations such as Denali National Park, the Vatican, Lake Como and more with just a single flight.

SELECT SAILINGS by Windstar

World Heritage Sites visited ... variety of landscapes explored ... and menu of regional delicacies tasted and bottles poured. Each has been carefully designed to showcase the richness of the regions with input from experts — everyone from itinerary planners to yacht captains to Windstar's President.

Destination Discovery Events

Complimentary Destination Discovery Events on select sailings treat your clients to iconic experiences that capture the essence of their locale. So, for instance, they can enjoy dinner in the moonlight and a concert near the Celsus Library in Ephesus on a cruise to Kusadasi, or attend an exclusive celebration on a lovely motu, complete with Tahitian fire dancers and local foods like *poisson cru* and *po'e*, on a cruise to Bora Bora.

Tahiti Air & Hotel Packages

Give your clients the ultimate relaxing South Seas vacation with a convenient Tahiti Cruise+Air+Hotel Package from Windstar. We'll take care of all the details from flight reservations to accommodations to transfers to and from the yacht. Plus, we promise to get them to the yacht even if their flight is delayed. It's the perfect way to ensure that their entire journey is restful and stress free.

BEYOND ORDINARY CARE

HERE AT WINDSTAR CRUISES, THE HEALTH AND SAFETY OF EVERYONE ON BOARD IS A TOP PRIORITY

We have made a multi-million dollar investment in our fleet in an effort to provide a healthy environment while sailing on a Windstar yacht. Hospital grade high-efficiency particulate (HEPA) filters along with a UV-C air zapping process (ultraviolet germicidal irradiation) have been installed on board all Windstar yachts. Our Beyond Ordinary Care program was developed with consultation and review by the Senior Medical Director in the UC Health Infection Control and Prevention Department at the University of Colorado School of Medicine and implements a rigorous multi-layered approach of science-led best practices aimed at keeping everyone aboard healthy.

We continue to review and evolve our health and safety practices based on the latest guidelines from local health authorities in the regions we sail. FOR UPDATES, visit windstarcruises.com/health-safety.

Certified Windstar Cruises Expert

"This is one of the top learning platforms I have experienced to date! I found myself making notes about and opening and bookmarking more links than any other program. My clientele falls into one mentioned category – 40-70 years ... who have taken river cruises and want more on small venues. I can now offer with some greater level of confidence Windstar as their next best option. Thank you!"

- Venture among the islands in an outrigger and swim in the idyllic crystal waters of Hundred Islands National Park.
- Take a boat trip down the Subterranean River, a UNESCO World Heritage Site located on Palawan and one of the 7 Wonders of Nature.

AUSTRALIA & NEW ZEALAND, WINDSTAR STYLE

TRANSCENDENT EXPERIENCES

This will be our inaugural season Down Under, and we anticipate it will fill quickly as we visit key ports and a number of places well off the beaten path. Not only are there incredible natural wonders here like the Great Barrier Reef and Fiordland National Park, there's also unusual wildlife, fascinating indigenous cultures, and vibrant cities with sophisticated cultural offerings. There's a refined food and wine scene here too, with several renowned wine-growing regions on our port list. Add to that iconic cityscapes, an appealing climate, and world-class beaches, and clients will be lining up. There's also a bonus for you: the long travel distance begs for pre- and post-cruise stays, and longer itineraries mean higher commissions.

- Enjoy evening activities and explore further afield with overnights in Sydney and Wellington.
- Go beyond the ordinary to places few people ever visit like Mooloolaba, Thursday Island, Middle Percy Island, and Lizard Island.
- Learn about local cultures during face-to-face encounters with Maoris, and Torres Strait Islander Aborigines.
- Spend more time exploring the Great Barrier Reef with scenic cruising days and a port call in Cairns.
- Get to know outrageously beautiful Tasmania with our itineraries calling at Burnie, Hobart or Freycinet National Park.
- Sip fine wines in the Marlborough growing region, Barossa Valley, and Yarra Valley.
- Go in-depth with our popular comprehensive New Zealand itinerary, exploring the must-sees and hidden gems, plus scenic cruising at renowned Fiordland National Park.

BEST IN THE WORLD

IN ALL OF OUR TRAVELS, WE'VE PICKED UP A FEW SOUVENIRS OF OUR OWN.
Windstar Cruises is proud to be recognized as one of the most highly awarded small ship cruise lines by some of the most respected leaders in our industry. Windstar. Your yacht is waiting ...

"Windstar has a laid back style of cruising, casual but elegant. They treat crew members well, and this shows in the jobs that they do. Anytime a crew member, or officer goes by they take time to stop and chat. This is NOT something you will experience on a big ocean liner ... I know I am now hooked on Windstar, and I will be back to sail again with my husband."
