TAKING TRAVEL TO THE NEXT LEVEL

TRANSFORM YOUR CRUISE

Have it all by making it an all-inclusive voyage with **unlimited beer, wine & cocktails, Wi-Fi and gratuities**. From \$79 per guest, per day.

TRANSFORM CONVENTIONAL CRUISES INTO PRIVATE YACHT-STYLE INDULGENCES. Make it all inclusive for just \$79 per guest per day with our All-In package, a bundle ideally suited for Windstar's relaxing and highly personalized ambiance. Wherever you sail, this is the best and most convenient way to save on our unlimited Wi-Fi, unlimited beer, wine & cocktails, and gratuities (including beverage package gratuities). With expenses taken care of upfront, spend more time enjoying uncrowded coastal destinations, award-winning cuisine, and authentic, off-the-beaten-path excursions in the cherished company of those you love most.

This exceptional value is available on all our yachts, from our newly transformed and luxurious all-suite Star Plus Class, to our classic masted Wind Class sailing vessels. With reservations quickly filling up for 2022—especially for voyages in Northern Europe and the Mediterranean—there's never been a better way to treat yourself to the vacation you deserve.

We also exceed expectations and conventional cruise safety guidelines through our **Beyond Ordinary Care Program**. We're all-in on hospital grade elements: HEPA filters and UV-C germicidal irradiation to filter and disinfect circulated air, and electrostatic sprayers to sanitize all surfaces throughout our yachts. If you have scheduling concerns, our convenient **Travel Assurance Booking Policy** allows you to cancel cruise bookings up to 48 hours prior to departure for a 100% Future Cruise Credit without risk or penalty for voyages departing through March 31, 2022.

More than half our 2022 sailings are nearly full, and we understand the disappointment of missing out on last year's cruises. Don't miss this opportunity—make reservations today.

All pricing is in USD.
